

YESHIVAT YAVNEH LUNCH CONTRACT
Second Half of School Year 2012

*We at **Schwartz Bakery** are pleased to be a part of your child's upcoming school year! Through our kitchens at **Circa NY** and **Schwartz Deli** we will provide delicious and nutritious Glatt Kosher meals that will appeal to students of all ages.*

We learned a lot over the last year at Yavneh and have optimized our program in response to feedback from the parents, the Yavneh Administration and Yavneh's Nutrition committee to make your children's lunch experience well rounded and nutritious, while reducing the cost to you, the parents.

Additionally, after careful consideration, and feedback from you the parents, we have created a separate menu for the early childhood department (Gesher - Kindergarten) that is friendlier for the little ones and less expensive than the program for the older children.

Children wishing to purchase lunch without prepaying for the half-year may do so for \$6 per day.

*In addition to our daily lunch selections, we also **offer on-campus or off campus catering**. Whether hosting a birthday pizza party, fruit trays, Challah's and cupcakes for Imma and Abba days, or event planning for Bar or Bat Mitzvahs, baby namings, bris, or any occasion, Schwartz Bakery looks forward to accommodating all your dining needs. **Schwartz will donate 10% of all on-campus catering towards the annual Graduation trip to Israel.** Visit us @ www.schwartzbakeryla.com for more information.*

Bon Appetit!!!!
